

The All Souls BBBBBB (our 11th camp!) is a Man Camp (+ male/female children if so)

No Mums, No Wives, No Girl Friends...!

Anytime from 6pm Friday 22nd of February (or daytrips) to Sunday 24th of February 2019

@ Camp McLaren - 190 Tarrango Rd - Yarra Junction

Saturday afternoon is the big one – TUBING on the mostly shallow horseshoe section of the Yarra River
– LIFE does not get any better than this spot – just unbelievable 😊

Sunday Morning is Bayside Councils Community Grant; Wooden Model Boat Races!!

The Blooming Big Bush Bonfire is sensibly small in summer (fire restrictions)

Breakfast and lunches are catered but you'll need to self-cater for Friday and Saturday night. BBQ & kitchen facilities are available; It's how we keep camp FREE along with bringing your own drinks / snacks.

"BBBBBB" stands for...? *Hint this will be a highly prized question on Saturday night*

Activities: Do Nothing! – Or we have some real fun in store for those who want to join in...

Bring along your Kayaks, Mountain Bikes, Road Cycles, Tubing, the kids, Tents down by the river (or Dorm rooms available) Fishing Gear, Bush Walking, Footy, Quiet Times, Camera
Read Books, Cards, Cooking whatever you are into bring it all along...

No costs involved - Sandringham's All Souls www.allsouls.org.au - *it's free!!*

This camp is not to be missed and of course it's best shared so we encourage you to invite others ☺

Whilst it's a father child camp it is also a MAN camp so if the kids have grown up (or you have no kids) you'll be amongst other amazing men from our community at BBBBBB without kids. It's Man-time!

Finally, the ladies at home won't miss out with Alison Enticott planning a long Saturday Brunch for the 23rd so contact Ali on alison.taylor35@gmail.com for the details

For more information on the above shoot through an email to sje@ciatax.com.au or call Steven Enticott on 0425 746 692

Bayside Council for the 3rd time has generously supported our BBBBBB camp community with a woodworking grant and we'll be assembling and decorating (and racing!) rubber band powered wooden boats just like this one...!!!
