Prayer

God, thank You for the love that you have given me.

Please help me be like Jesus and share with others the love you have put in me so they can see you.

Help me show your love to others- even those who don't show love to me.

Amen

To Do:

- Look for examples of love in your home this week (it could be getting a hug, having someone cook your favourite food) etc. Where you find love, you will find God.
- Show others you love them this week. God loves it when we try to be like him and people will see God when you are being loving to them.
- Wrap yourself in a warm blanket, close your eyes and imagine God is hugging you. How does that make you feel?

LOVE

We love because God first loved us.
(1 John 4:19)

God's loves us. The bible tells us God loved the world so much that he sent Jesus.

Jesus tells us that he wants us to love each other. That seems easy doesn't it? You love your family and friends but God wants us to love **everyone!** It could be the person who picks on you at school or the person no one else wants to be friends with - **everyone!!** So it is not so easy

Jesus didn't just hang out with the cool kids, he hung out with the people no one liked. Jesus showed love to **everyone.**

Jesus loved us so much that he died on a cross and rose again so we could be forgiven for turning away from God.

We are created to love God and love others.
